RE: **Total Exposure Study: Draft Standards of Performance**

Further to my memorandum of October 17, 2000 and comments from you provided by Loreen to me, I enclose a revised mark-up of draft standards of performance for Covance to perform the pilot total exposure study.

Please review the enclosed draft and let me know your further comments. Unless you have a different perspective, I think the draft is ready for further circulation.

I look forward to hearing from you.
